*Without singing Bhajans, it is not possible to find peace and happiness. Without worshipping Bhagawan, it is not possible to gain bliss. Without love, devotion and detachment, liberation is not possible. Without service, salvation is not possible. Without meditation and repetition of God's name, Samadhi or union with god is not possible. Without a desire to realize god, supreme knowledge cannot be attained. Without kindness and right conduct, no act can be called a good act. There is no one that we can call our own, except god. There is no Lord except the Supreme Lord Of Lords.*
